# The Atlanta Breathworkers Training Program

Whether you are interested in personal advancement and/or professional success, this is the training for you.

The Atlanta Breathworkers Training Program is an advanced personal training and a professional development program. The benefits of this training are infinitely expandable. It heightens and accelerates your personal awareness and aliveness. This training enhances your professional abilities and gives you the opportunity to experience Breathwork while teaching you the theories and principals behind it.

You will learn the art and science of the breath and receive valuable information on strengthening your relationship with yourself, and coaching others. You will develop your intuition as you acquire important skills and knowledge.

In a supportive atmosphere, you will have the opportunity to experience 4 different techniques of Breathwork, hands on. You will also be given the necessary information for becoming a Breath Coach.

This training will excite you and motivate you in experiencing more of your passion for life. This program will show you how to maximize your potential and ignite a life-changing enthusiasm that will refuel your success.
